**ORDER OF DISMISSAL**

On August 24, 2017, the plaintiff and defendant the State of Michigan presented to the Court a stipulation to dismiss the case without prejudice. The State of Michigan is the only defendant that has appeared or answered the complaint, and no party has filed any motion for summary judgment. The Court therefore will dismiss the case. *See* Fed. R. Civ. P. 41(a)(1)(A) (“[T]he plaintiff may dismiss an action without a court order by filing: (i) a notice of dismissal before the opposing party serves either an answer or a motion for summary judgment; or (ii) a stipulation of dismissal signed by all parties who have appeared.”).

Accordingly, pursuant to the stipulation of the parties, it is **ORDERED** that the case is **DISMISSED** without prejudice and without costs to any party.
